
SCRAPONA

Moscato D'Asti DOCG

GRAPES

100% Moscato Bianco.

ORIGIN

Scrapona vineyard in Strevi. Planted in 1996, using the wood from the old vines previously planted here. The soil is mainly sand and marl, with south-west exposure.

VINIFICATION

The grapes, manually selected and harvested at the beginning of september, are softly pressed and naturally clarified. The fermentation takes place in pressured vat and is interrupted thru filtration when reaching 5,5% alcohol, and a delicate perlage. No sugar is added.
